

Please keep K-Love on the air. It is extremely important and touches so many lives every day. As a resident of this community, I believe we need strong moral influences for ourselves and our children, and that's what K-Love provides to thousands of people every day. In this depressing, harsh world that we live in , we need a positive and encouraging message not only on Sundays, but every day, all day, and the community may choose K-Love for that purpose. It is one of the few stations that I would approve of my children listening to, and I'm proud to have them sing the music they hear on K-Love. Please keep K-Love, it means so much to so many.
